

Tri County Internal Medicine P.C.

Thank you for choosing our Practice for your healthcare needs

Our office hours are as follows:

Monday—Thursday 8:00am – 7:00pm

Fridays 8:00am – 4:00pm

Saturdays 9:00am – 1:00pm

- While we welcome walk-ins, we recommend appointments to minimize your wait time.
- Bring your most recent insurance card to each visit. Our staff will verify that you have active coverage. However, please be aware that we do not verify what your specific plan covers.
- Please bring all medications you are taking with you to each visit. We need to have the most accurate and up to date information in your chart for treatment purposes. Please refer to our Prescription Policy for information on refill requests.
- Our Providers may recommend a referral for you to a Specialist. Please allow 5-7 business days for our Referral Department to coordinate this with your insurance plan.
- Our Providers offer well adult care such as routine physicals, Pap smears and Medicare Wellness visits. Please call ahead to schedule these appointments as they are more extensive visits.
- We treat Worker's Compensation injuries with approval from your Employer. Please check with your Employer to ensure that we are listed on their Panel of Physicians.
- Please call ahead when possible to cancel or reschedule an appointment. You will not be charged a no show fee if you notify our staff 4 or more hours in advance. If your appointment type requires more advanced cancellation notice, you will be informed in writing.
- We are a teaching facility and therefore may have Medical Students or Nurse Practitioner students shadowing our Providers. Please let our staff know if you are not comfortable with a student participating in your care.
- Our staff is here to assist you with your healthcare needs and we strive to meet our Patient's expectations. We appreciate your valuable feedback.
